- Connect2Help™ began a partnership with Community Solutions in 2003 to help low-income workers obtain free tax preparation assistance (via VITA –Volunteers in Tax Assistance and other sites) and information on the Earned Income Tax Credit.
- The calls for tax assistance peaked in 2005, and declined the next two years.
- This trend has shown a sign of reversal, with a **51% increase in calls during the 2008 tax season.**

- The majority of the calls (82%) came from Marion County.
- Two percent (2%) of the calls came from the 7 counties surrounding Marion County.

- Sixteen percent (16%) of the calls came from counties outside of Central Indiana.
